## S.A. MINUTES

March 16, 1965

After the devotional the meeting was called to order.

The minutes were approved as posted.

There were no committee reports.

Dr. Gilliam announced that the new supervision of the Emerald Room by the Student Work Program would be effective this coming week.

Dave said that he and Richard Abshire were working on the lost and found service.

The council discussed plans for the chapel program in honor of Dr. Benson. Dave suggested that the council members read last year's BISON articles on the life of Dr. Benson. The little things and the humanism is what we want to point out. Dr. Gilliam suggested that personnel experiences related by friends and relatives of Dr. Benson would be effective. Perhaps a plaque in appreciation could be presented to him. Further plans were postponed.

The chapel program to encourage students to run for S.A. offices was again brought up for discussion. The council decided that a program devoted exclusively to this might not be wise, but instead, early chapel announcements and posters would be sufficient. Also encouraging remarks might be made in the general S.A. meeting for this semester.

Dave said he would send letters of appreciation to the clubs for their enthusiasm and help with the Emerald Room project.

The meeting was adjourned.
